

Demerit Points & Suspension History Report

As part of your pre-employment check we require a Demerit Points & Suspension History Report to give us an accurate view of your driving performance.

Once we have your permission we will apply to the NZ Transport Agency and pay a small fee, Williams & Wilshier will cover this fee. A report is produced within five working days. The report shows demerit points accrued within the last 7 years.

You are not obliged by law to give us this permission, although refusal could jeopardise your application for employment.

Any personal information that is collected will be treated strictly in confidence in accordance with the Privacy Act 1993. You also have the right to access to this information.

I Give permission for Williams & Wilshier to receive a “Demerit Points and Suspension History Report”
